

HOW DOES IT WORK?

- Local churches, agencies and individuals refer Hart County residents in need of assistance to HIM. Those persons contact HIM directly at 706-376-4446 for a telephone screening interview, followed by a personal appointment.
- The HIM trained volunteer Intake Specialist interviews the applicant and coordinates available funds and/or refers the applicant to appropriate agencies. (All information is confidential).
- All Fund Payments are Made Directly to Providers. No Funds are Given Directly to Recipients.
